Meet Irma: Your friendly Northern Transit Driver!

Hello, wonderful passengers! Let me introduce you to Irma, your dedicated driver at Northern Transit Interlocal. With an impressive decade of experience under her belt, Irma is more than just a driver; she's a vital part of our community. Every day, she eagerly welcomes passengers with her warm smile and infectious enthusiasm. For Irma, it's not just about getting you from point A to point B—it's about the connections she makes along the way, enjoying every story shared and every smile returned. Irma finds joy in the countryside views she encounters during her routes and down time. When she's not behind the wheel you can often find her tending to her beautiful garden or playing pickle ball. SO as you buckle up for your ride, take a moment to chat with Irma. You'll find that her stories, passion for life, and love for the road will add a little extra sunshine to your journey.

Welcome aboard, and enjoy the ride!

What our riders are saying about us:

- The director really showed great customer service by working with my situation and helped me to get home with my family! The car was very clean and driver professional.
- They are reliable, great friendly drivers, I would recommend to my family and friends.
- My family & I were stranded in Great Falls due to a airline strike & Northern Transit stepped up and assisted us in getting back to the Canadian border. Without this service God only knows how many days we would have been stranded. Friendly top notch service I can't thank you guys enough for helping us. Truly a life saver!
