October 2024

What We Learned

Meet your driver Randy, he's been with the company 8 years and enjoys the great people he works with. Randy enjoys going through the parks on his time off and finds joy in fishing. With a wealth of experience behind the wheel, Randy is well-versed in ensuring the safety and comfort of our passengers. Randy's friendly demeanor and attention to detail make him a valued member of our team, and we are confident you'll enjoy your journey with him.

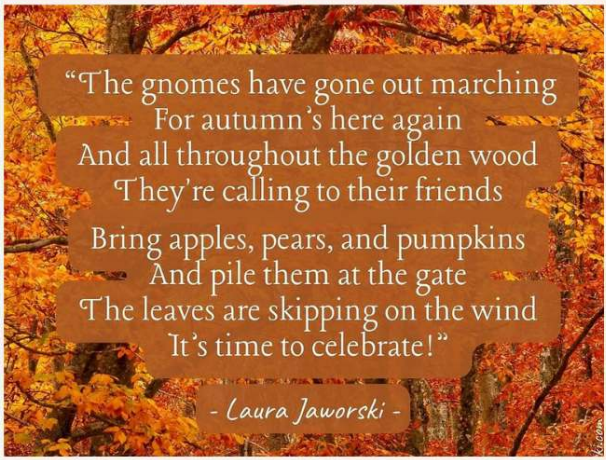

Sit back and enjoy the Ride!

Reminders

We will be closed on Oct. 14th in observance of Columbus day.

Upcoming Community Events

- OCT 3 Zombie Fun Run Shelby
- OCT 10 Logan Health Fair Conrad
- OCT 15 Logan Health Fair Shelby

"The gnomes have gone out marching
For autumn's here again
And all throughout the golden wood
They're calling to their friends
Bring apples, pears, and pumpkins
And pile them at the gate
The leaves are skipping on the wind
It's time to celebrate!"

- Laura Jaworski -

Need a ride to Great Falls
 check out our
GREEN ROUTE. 
 We are here to help with two
 available days and 2 route
 options. Contact us today to
 set up a reservation.

Advertiser Of The Month

We are happy to help promote their business on our bus, and we thank them for advertising with us and supporting our local rural communities. If you would like to have your logo on our bus, **Please call Kim at 406-470-0727**

It really makes our day here at NTI when we receive such great reviews and feedback on how we were able to truly help someone out. I had the opportunity to speak with a first-time rider, she was riding with us to Kalispel to drive a dear friend home from a very important appointment at the Logan Health Oncology Department. She was very thankful for the service we were able to provide, commented on how comfortable the seats were, how friendly the driver was, and just being able to sit back and enjoy the views. It makes us happy that we are able to provide such a needed service to our communities. We are very thankful for our advertisers, corporate donors like Logan Health and Town Pump, and the donations we receive that make it possible for us to keep this transit running.
