COMMUNITY AND RIDER FEEDBACK

I had the opportunity to speak with some of our riders in our rural communities at the Cut Bank, Conrad, and Shelby Health Fairs. Here are some of the wonderful things that were said about Northern Transit: We provide a good service and its a necessary thing for our communities, that our drivers are very polite and they always have a good ride, they wouldn't be able to get to their doctors appointments with out this service. These are just a few of the wonderful things said about the transit. We truly enjoy what we do here at NTI, Especially when we are making a difference. Thankyou for being the biggest part of NORTHERN TRANSIT INTERLOCAL.
