NTI UPDATES

2025 started out with a bang! NTI's In-Town Cut Bank route has taken off, so much that we are looking towards operating a second day in the upcoming near future. We need \$7,000 match to fund this, We want to give a shout out to The Sons of Norway for your incredible \$1000.00 donation much appreciation for supporting your local community. If anyone is interested in donating please go on to northerntransitinterlocal.ticketspice.com/donation-only NTI has proudly been named the Northwest Regional Transit of the Year for 2024. This recognition fills us with immense pride and gratitude, as it reflects the hard work and dedication of our incredible staff who consistently go above and beyond to ensure the best service for our passengers. We also owe a heartfelt thank you to our passengers, whose trust and loyalty inspire us to continually improve and innovate. Additionally, we are deeply appreciative of our generous corporate and community donors, whose unwavering support plays a crucial role in our ongoing success. Their contributions enable us to enhance our services and expand our reach, allowing us to better serve our community. Together, we are achieving remarkable milestones, and we look forward to building on this momentum in the future. Thank you for being an essential part of our journey! We could not achieve our mission without their continued support.
