NTI NEWS

NTI Celebrates a Significant Achievement in 2025.

NTI reached an impressive milestone with a ridership of 21,247 passengers. We are witnessing continued growth, particularly with the introduction of our In-Town Cut Bank route, and we remain hopeful about adding a second day for this service later this year.

This achievement is made possible by our riders, sponsors, advertisers, drivers, and office staff; we couldn't succeed without each and every one of you.

Northern Transit is actively seeking CDL drivers to become part of our outstanding team. If you're interested in this opportunity, please visit us at 221 1st Ave. South, Suite 101, Shelby, or contact us at 406-470-0727 for more information.

What our riders are saying about NTI:

NTI consistently exceeds expectations in providing support, whether it's from the hospital doors, the grocery store, or the bus. Their assistance ensures that my situation runs smoothly.

Before the in-town service began operating in Cut Bank, I was confined to my home with no means of transportation. This service has significantly enhanced my quality of life.

Thank you for your feedback! At NTI, we truly appreciate hearing such comments. Our mission revolves around people helping people, and this genuinely brightens our day.

“ENJOY THE RIDE!”
